About the School

Inspiring Excellence Since 2022

Established in 2022, Doon International School, Singhpura Pattan, is among the very first CBSE-affiliated institutions in the district of Baramulla, bringing a fresh wave of academic excellence and global exposure to the valley.

The establishment of this school was a landmark initiative, aiming to raise the standard of education and provide opportunities on par with the best schools in the country.

At DIS, we understand that education is not merely about achieving good grades, It is about nurturing individuals who are confident, creative, and capable of facing real-world challenges with resilience and wisdom.

OUR VISION & MISSION

"Guided by purpose. Driven by excellence."

Vision: To empower every learner with knowledge, confidence and a spirit of lifelong growth. Our vision is not limited to academics, we strive to prepare children to face life with courage, compassion, and competence. We envision students who are independent thinkers, effective communicators, and responsible leaders who will carry the legacy of excellence forward.

Mission: To enable students to become alive, morally upright, socially responsible citizens with a positive attitude, ready for continuous personal and professional growth. Our mission reflects our deep commitment to shaping not just scholars but also compassionate human beings. We aim to provide a stimulating environment where students are encouraged to question, explore, and learn, thereby fostering a habit of continuous improvement and self-discovery.

Quality Policy

At Doon International School, quality is not a choice but a way of life. Our comprehensive quality policy is based on three core principles:

- **Relevance**—We adapt to the ever-changing educational landscape, integrating technology, innovation, and modern pedagogy to prepare students for future challenges.
- **Excellence**—We believe in setting benchmarks of academic and co-curricular success that match international standards.
- **Inclusivity**—Every child, irrespective of background or ability, deserves equal opportunity, guidance, and encouragement.

Through this policy, we are committed to imparting an education that is holistic, forward-looking, and designed to build leaders of tomorrow.

Location Advantage

The school is a landmark in Singhpora Pattan, known and recognized by all. Our strategic location offers multiple advantages:

Connectivity: Easily accessible from all corners of the district through well-connected bus routes.

Proximity: Just a few kilometres from Srinagar city and the main highway, ensuring quick accessibility in any situation.

Environment: Nestled in front of a scenic park and surrounded by greenery, the campus provides a refreshing, eco-friendly atmosphere that naturally boosts student morale, creativity, and concentration.

Residential Sports & After-Hours Training Infrastructure

A vibrant sports culture with basketball courts, volleyball courts, a football field, cricket ground, and indoor games. Our facilities are ever-expanding, giving students avenues to discover their sporting talents

For residential students, these facilities shift into high gear after standard school hours via floodlit fields, professional coaching, specialized martial arts modules, and continuous biometric fitness tracking.

Academic Framework & Assessment Matrices

Our Learning Approach

Education at Doon International School is holistic and child-centered. We go beyond conventional teaching to create experiences that integrate academics, co-curriculars, and life skills. Our teaching philosophy is rooted in:

- Hands-on, experiential learning.
- Integration of sports, arts, and academics.
- Focus on multiple intelligence and differentiated learning.
- Use of English, Hindi, Kashmiri, and Arabic for a multilingual edge.
- Personalized attention due to small class sizes.

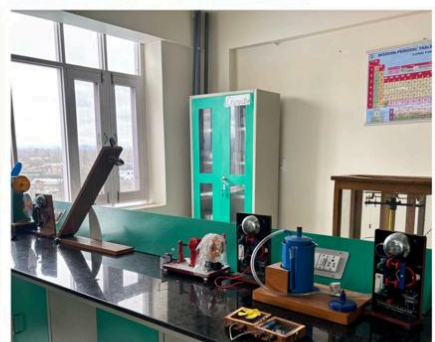

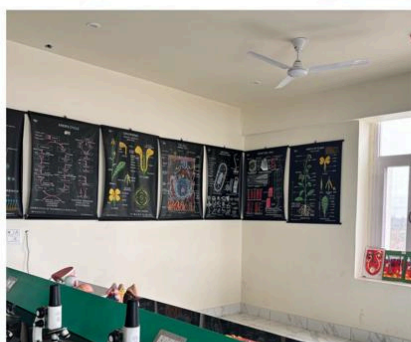

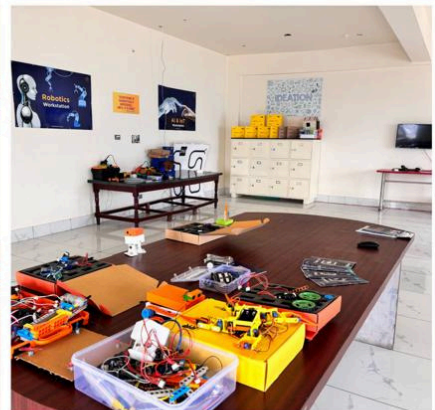

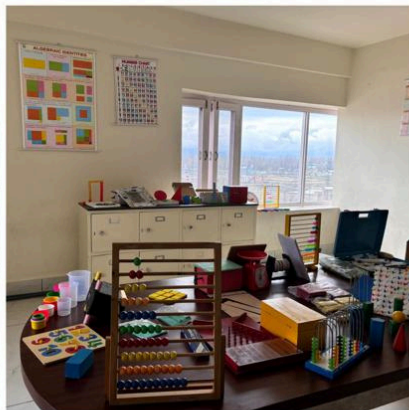

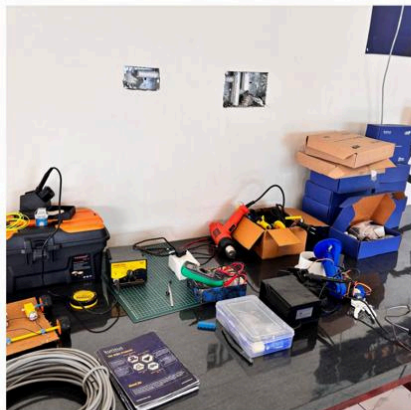

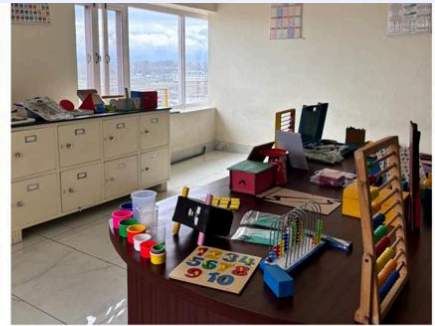

Departmental Structure

Lower Primary Department (LPD) (Nursery to Grade 2): We follow a Montessori-based approach where the emphasis is on discovery and creativity. Children learn through play, activities, and projects rather than rote memorization. Assessments are non-traditional and based on observation, activities, and overall growth.

Academic Framework & Assessment Matrices

Higher Primary Department (HPD) (Grade 3 to Grade 9): Here, we blend practical learning with structured assessments. Through Math, Science, Robotics, and Social Science labs, students apply concepts in real-life scenarios. Assessments are not just pen-and-paper tests but include multiple assessments, subject enrichment activities, portfolios and projects, and pre-mid, mid-term, post-mid, and final term examinations. This ensures a fair evaluation of both skills and knowledge.

Student Support Services & Governance Protocols

Student Support Services & Campus Infrastructure

Our campus is not just a school building, but a centre of excellence that supports learning in every form. With world-class infrastructure and dedicated support services, students have access to resources that make learning enjoyable, effective, and practical:

- **Conference Halls & Auditorium:** Spacious halls equipped with modern audio-visual facilities to conduct seminars, debates, and cultural programs.
- **Medical & Wellness Facilities:** A well-equipped dispensary and clinic room ensure the health and safety of every child. First aid and medical care are always available.
- **Technology Enabled Learning:** High-speed internet services and digital classrooms promote interactive learning and global exposure.
- **Specialized Labs:** Computer Labs for coding and IT skills; Montessori Labs for hands-on, discovery-based learning; Composite Science Lab and subject-specific Science Labs; Mathematics Lab for practical problem-solving; Social Science Lab for research and exploration; Robotics Lab to nurture innovation and technical skills; and an English Language Lab for improving fluency, pronunciation, and communication.

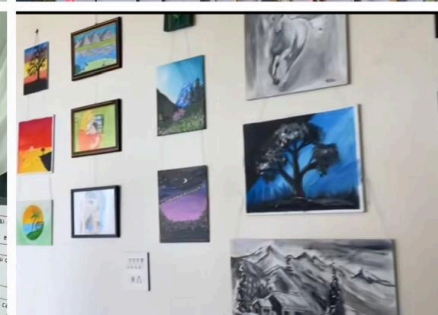

Beyond the Classroom

Learning at DIS extends into the wider world through verified enrichment tracks:

- **Co-Curricular Activities:** Art, music, dance, debates, dramatics, exhibitions, and more.
- **Friday Flourish Initiative:** A unique program dedicated to life skills—from fire and hazard safety, cooking without fire, financial literacy, marketing, and communication skills to leadership training.
- **Sports Excellence:** Students regularly participate in district, state, and national level competitions, bringing laurels to the school.
- **Mental Health Support & Discipline:** A dedicated school counsellor ensures emotional well-being, while discipline is guided by our active Disciplinary Committee.

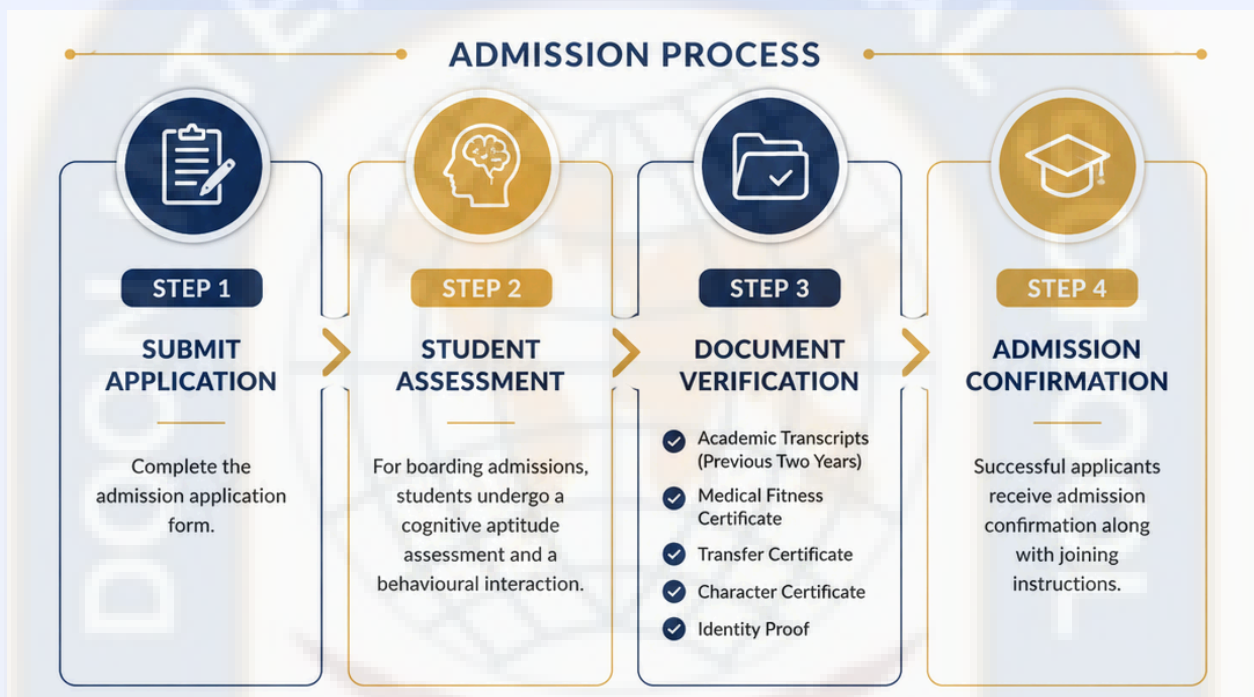

Beyond the Classroom

Admissions
